Funk carioca · Urban pop

LANGUAGES

French / Brazilian Portuguese

WRITING, PRODUCTION, ART DIRECTION

CARIOQUESE

« GRINGA? — JÁ FUI. — E AGORA? — CARIOCA, PÔ. »

“GRINGA? — NOT ANYMORE. — SO NOW? — CARIOCA, DUH.”

THE STORY

“Paris dans la voix” (Paris in her voice) captures the moment you land in Rio with your habits, your accent, your very Parisian bearings... and the city starts changing the rhythm. Chanel red and salty skin, past midnight in Copacabana, 2 a.m. at Pedra do Sal: nights, encounters and Portuguese words slowly take over.

The Parisian stays herself, but Rio gets under her skin. The chorus — “Paris dans la voix, Rio dans la peau” — sums up that contrast and became the signature of CARIOQUESE.

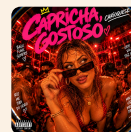

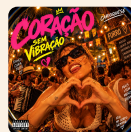

THE SOUND

Funk carioca meets urban pop: tamborzão, deep bass, rapid verses where French and Portuguese trade lines, ragga-muffin breaks and an instant hook — made for radio, playlists and short-form video.

THE PROJECT

CARIOQUESE tells the story of a trip to Rio in songs, between Paris and Brazil. Each track is a chapter: true stories, or almost, sung in French and Portuguese. The name plays on “carioque-se”: become carioca.
