CARIOQUESE

« CORAÇÃO? SEM VIBRAÇÃO. »

“MY HEART? NO VIBRATION.”

THE STORY

“There are plenty of Brazilian guys. Dance, have fun, you'll find a better one.” So she dances. First forró, and the partners keep coming: Rafael, Matheus, Lucas, Pedro, then Chico, Ronaldo, Caio, João, Biel, Vini... One on Monday, two on Tuesday.

Arms, bodies, pegação — and still zero vibration. Even the one who was “a little different” changes nothing. Until the final confession: in every one of them, she was looking for him.

THE SOUND

Fast, playful and addictive: the list of names turns into a rhythmic chant over a funk groove with a forró touch. The chorus is two words long, the twist one sentence.

THE PROJECT

CARIOQUESE tells the story of a trip to Rio in songs, between Paris and Brazil. Each track is a chapter: true stories, or almost, sung in French and Portuguese. The name plays on “carioque-se”: become carioca.
